PLAN FOR THE DAY:  
Evaluate new treatment options. Manage pain.

QUESTIONS FOR YOUR CAREGIVER:

## FACILITATE FASTER COMMUNICATION

Save time and provide digital clarity with features such as:

- ✓ Auto population
- ✓ Touchscreen with keyboard and edit capabilities
- ✓ Drop down menus
- ✓ EMR, Touchscreen, Bedside and/or remote updating

▼ Anatomy Library

Turn Off Standard Anatomy Vascular System

## BUILT IN ANATOMY IMAGERY

- ✓ Accessible through a drop down to educate patient or family about surgeries, treatments needed, diagnoses, etc.
- ✓ Interactive display with writing & drawing features.

CHANGE LANGUAGE:

- ENGLISH
- SPANISH

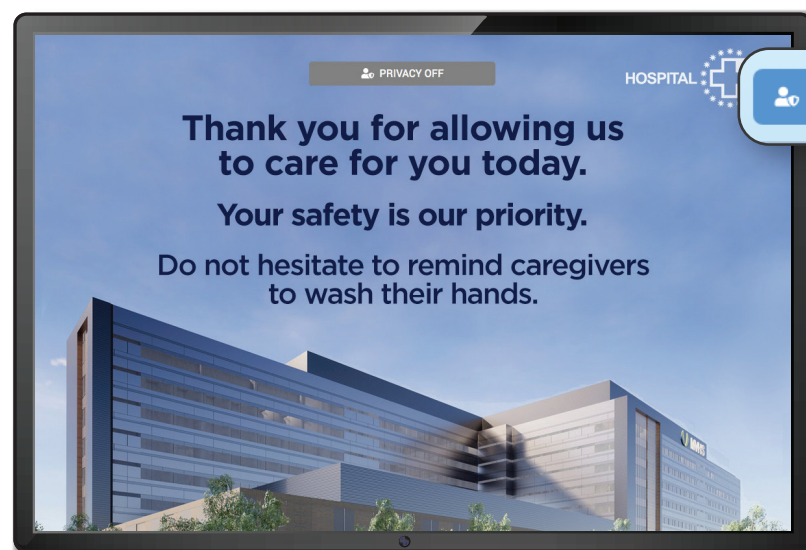

## EASILY SWITCH LANGUAGES

- ✓ Personalized communication for bilingual patients.
- ✓ Translate to Spanish or any other language needs.

## UPDATE YOUR DIGITAL WHITEBOARD AS NEEDS CHANGE

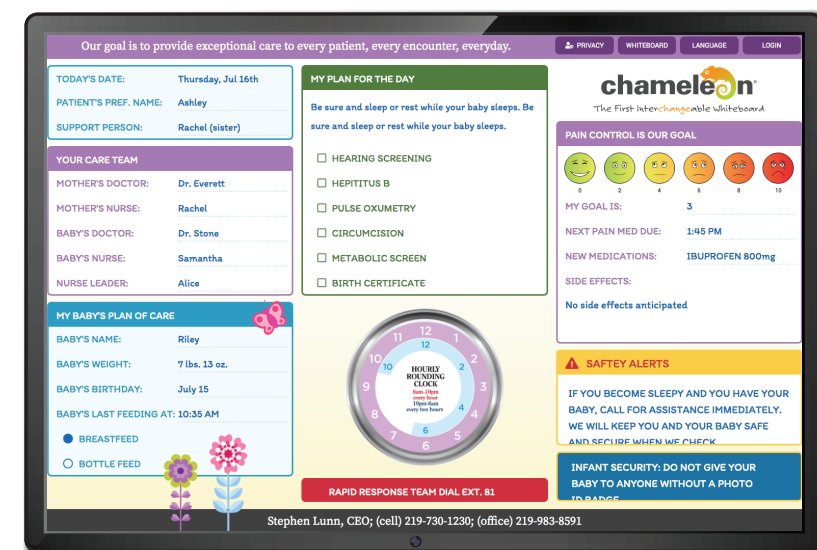

- ✓ Update your content
- ✓ Change your logo
- ✓ If a change of the patient room is needed the data will update and seamlessly follow the patient to the new room or unit.

PRIVACY

## ENHANCE PRIVACY

- ✓ Discreetly hide PHI from visitors to protect patient privacy.
- ✓ Customize privacy screens with your hospital's logo, photos, personalized messaging, etc.

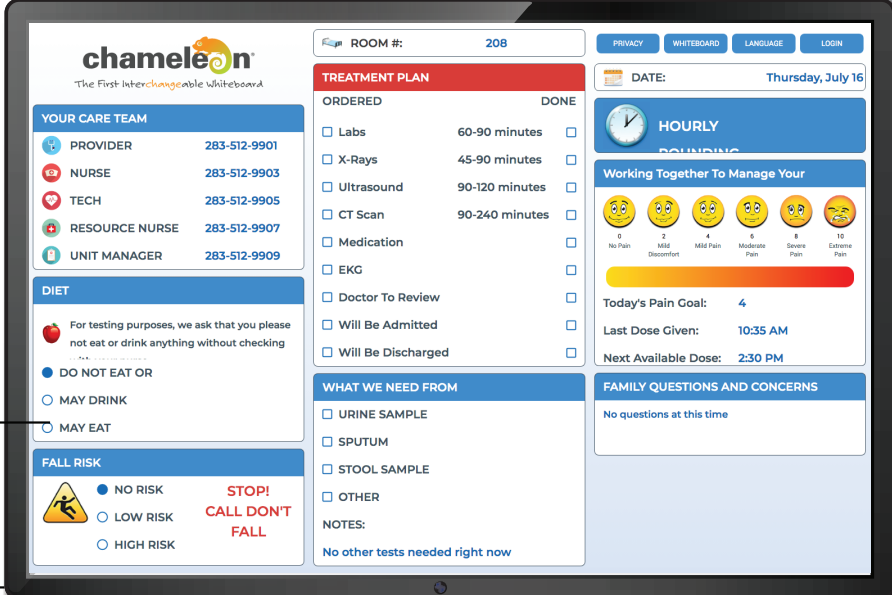

## JUST LIKE OUR TRADITIONAL WHITEBOARDS, CUSTOMIZABLE FOR ANY HEALTHCARE ENVIRONMENT

Digital designs customized with your logo and branding for any unit, department, or facility.
